

SASINDU DILURANGA

(WOLFER) EDM PRODUCER

ABOUT ME

I am an EDM producer and the proud proprietor of SD Music Records Studios. I have collaborated alongside industry luminaries in Sri Lanka. My talent shines through in my contributions as a music producer for the upcoming film 'Rider,' poised for release. Beyond music production, I also excel as a sound engineer, adept in the art of mixing. Complementing my audio expertise, I am an IT undergraduate, blending technical proficiency with my artistic pursuits. Feel free to give a glance into my creations through the links provided.
